STERLING

Silver Black

Onyx Ring

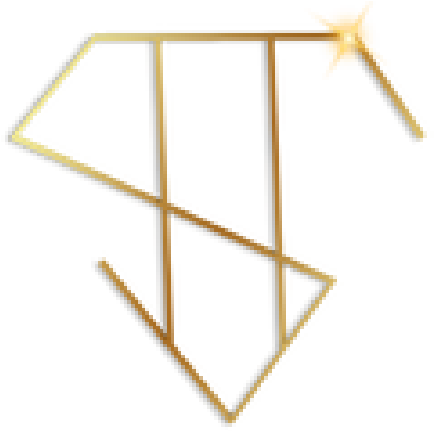

ABOUT

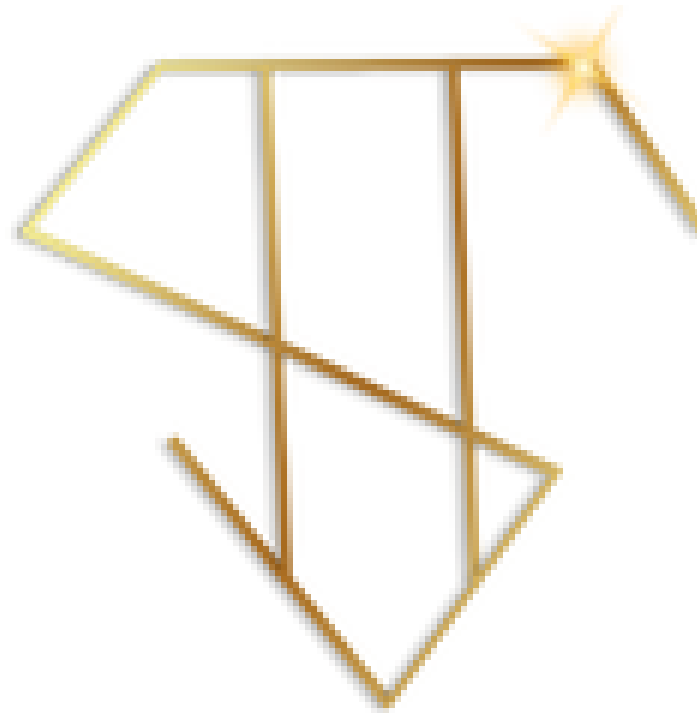

Our (or We at Silver Hub) belief resides in the attainment of wisdom through the ways of tradition, soul, and joy. Our story at Silver Hub began in 2014, when our Founders, Jai & Sunny came together to realize a common vision, an unwavering dedication towards creating unique silver jewelry in the molds of what our Indian tradition has handed down to us generation by generation, spanning over a century of Indian traditional craftsmanship.
